

FOR IMMEDIATE RELEASE

Salamander Designs Introduces a New Style to the C-Frame System @ CEDIA 2017: Milan

(Bloomfield, CT) August 28, 2017 – Salamander Designs, Ltd., a leader in premium quality residential and commercial audio/video furniture, announces the introduction of a new custom cabinet style, Milan.

Milan is an addition to the C-Frame System, which includes A/V cabinets that blend art and technology and will *fit* any decor.

Milan is sleek with a future forward geometric three-dimensional, diamond pattern. Finished in gleaming white and complemented by a variety of tops; black or white solid surface top or black or brown glass tops.

As with all Salamander Designs products, the Milan is built from eco-friendly materials, engineered to perform, and is available in a variety of configurations, including 12” deep in Low Profile Wall Mount Cabinets or 22” deep Credenzas ranging from single bay cabinets to 4 bays.

Milan doors can also be purchased separately and swapped into an existing system. Jump on board with this new sharp look from Salamander: Milan. Starting at \$999.
