

DFS Deutsche Flugsicherung

DFS Aviation Services

Meet us at the World ATM Congress in Madrid 7 – 9 March, 2017

What's new?

- Get introduced to the team of the newly established DFS subsidiary, **DFS Aviation Services**, your perfect partner for all products and services in air traffic management within the DFS Group
- Take a look at our **brand new two-story booth** Hall 9, Stand 834
- Join us at our **two receptions**:
March 7: 4.00 pm for "beer and pretzels"
March 8: 4.00 pm for "wine and tapas"

More highlights at our stand

- Check out the latest developments concerning the DFS Arrival Manager, ATFM and the DFS Tower Suite with a set of integrated ATC automation components.
- Get to know NEWSIMWeb a web-based, highly qualified air traffic control simulator. Do not miss our presentations at the stand:
7 March: 11.45 - 12.00 am and 2.30 - 2.45 pm
8 March: 2.30 - 2.45 pm and 3.15 – 3.30 pm

Meet us at the presentation theatres

- "UTM exploration: testing mobile connectivity for integrating UAS" (Angela Kies)
7 March: 2.15 pm, Frequentis Aviation Arena
- "An introduction to project 10 PROSA as a part of the SESAR 2020 Programme" (Dr. Jörg Bergner)
7 March: 3.40 pm, Aireon Spotlight Stage
- "NEWSIMWeb – The next generation of simulation" (Christian Manus)
8 March: 11.15 pm, Aireon Spotlight Stage
- "How to protect aerodrome traffic" (Matthias Hieronimus)
8 March: 12.30 pm, Frequentis Aviation Arena

Awards shortlisting

- DFS and its partners have been shortlisted for the IHS Jane's ATC Awards 2017 in the category "Environment", with the SESAR Optimised Descent Profiles (ODP) project. The Awards ceremony will be held at 7 March, 3.15 pm at the Delegate Theatre.
- With this project, DFS has also applied for the SES Awards, which will be announced at the SESAR stand (889) at 4 pm.
