Level Up & Learn Controller™

Ages: 6+ Months

MSRP: \$12.99

Get your game on with the Level Up & Learn Controller™! Kids love to imitate the adults around them, and this toy game controller lets them work their little fingers while learning as they play. Use the four-direction joystick to move an LED light up, down, left and right to help develop fine motor skills. Listen as animals say their names and make their animal sounds! Press the six animal buttons to hear their sounds and learn about ABCs, counting, numbers, opposites, rhyming and Spanish. Surprise! There's also a Tiger that pops up, plays peek-a-boo and unlocks bonus games. Game on!

Available now at all major retailers, including [Walmart](#), [Target](#) and [Amazon](#)

Tad's Fridge Phonics™

Ages: 2+ Years

MSRP: \$19.99

Make learning the alphabet exciting with Tad's Fridge Phonics™! This interactive toy introduces your child to the letters of the alphabet and the sounds they make, helps build vocabulary and exercises fine motor skills. Place one of the 26 musical letter tiles into the letter slot and press down for three modes of play that reinforce letter names, phonics and word skills. Three frames can be customized with your own photos and images, for a unique, personalized play experience. With its magnetic base, it's great for fridge play in the kitchen.

Available now at all major retailers, including [Walmart](#), [Target](#) and [Amazon](#)

Give the Gift of Learning

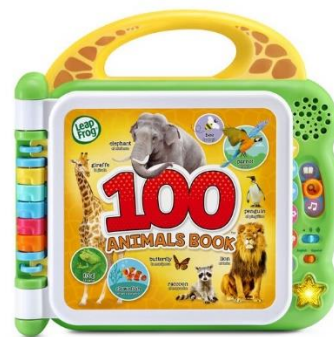

100 Animals Book™

Ages: 18+ Months

MSRP: \$17.99

Hold 100 animals in your hands with the touch-sensitive pages of the 100 Animals Book™! Six double-sided, interactive pages feature animals from 12 habitats and environments. Kids have a natural curiosity about animals, and this book provides lots of opportunities for exploration with illustrations and photographs of animals from the desert, savanna, rain forest and more. Three modes teach about animal names, animal sounds and fun facts on each page. Switch the language setting to hear about the animals and listen to songs in either English or Spanish. Fun facts about animals promote early science awareness, making this book a must-have addition to every little learner's library.

Available now at all major retailers, including [Walmart](#), [Amazon](#) and [Target](#)

Learning Friends 100 Words Book™

Ages: 18+ Months

MSRP: \$17.99

Join animal friends Turtle, Tiger and Monkey as they explore new vocabulary in the Learning Friends 100 Words Book™. Explore the colorful pages and touch each picture to hear the animals say toddler-appropriate words along with exciting facts and sound effects. For an immersive language experience, slide the language switch to hear the words, songs and instructions in Spanish. Touch the pictures to hear silly sound effects in Fun Sounds mode or press the light-up star button to hear two learning songs. Discover new vocabulary with cute learning friends!

Available now at all major retailers including [Walmart](#), [Amazon](#) and [Target](#)

Speak & Learn Puppy™

Ages: 12+ Months

MSRP: \$29.99

Unleash your puppy love for the plush Speak & Learn Puppy™! Watch your little friend come to life with flapping ears, a head that moves, and real-time responses. As toddlers learn to talk, this interactive dog repeats what they say and asks questions to keep the conversation going. Bailey says what your child says in a fun and interactive way in Babble mode. In Talk mode, the puppy has conversations with children and creates stories from their responses. Explore animal facts, animal sounds, food, feelings, letters and numbers through four paw buttons and a light-up collar. Multiple songs encourage learning, and three learning levels allow the toy to grow with your children as their language skills develop. Talk and learn with Bailey!

Available now at all major retailers, including [Walmart](#), [Amazon](#) and [Target](#)

Tad's Get Ready for School Book™

Ages: 2+ Years

MSRP: \$21.99

It's time to get ready for school with Tad's Get Ready for School Book™. This book contains 12 pages of interactive learning and introduces ABCs, numbers 1-10, colors, animals, shapes, emotions, music and more. Touch the pictures on each page and the book will come to life with learning phrases and sounds. Press the music button to hear six learning songs and watch the light flash along. Then, practice telling time by turning the hour hand on the clock. Prepare for school with Tad!

Available now at all major retailers, including [Walmart](#), [Amazon](#) and [Target](#)

Mr. Pencil's Scribble & Write™

Ages: 3+ Years

MSRP: \$21.99

Have fun writing letters, numbers and more with Mr. Pencil's Scribble & Write™! With the help of friendly Mr. Pencil, explore six activities that will introduce writing, drawing and spelling. Step by step, Mr. Pencil will show how to write numbers, shapes, uppercase letters and lowercase letters. Use the stylus on the touch screen to trace the numbers, letters and shapes and Mr. Pencil will provide instant feedback. Tap the screen to make your writing come alive with cute animations. Then get creative and use the stylus to draw anything you want! Mr. Pencil will also introduce early spelling by asking you to match letters to their sounds or to find missing letters to spell simple words. Writing is fun and interactive with Mr. Pencil!

Available at major retailers including [Walmart](#), [Amazon](#) and [Target](#)

Mr. Pencil's ABC Backpack™

Ages: 3+ Years

MSRP: \$29.99

Embark on a learning adventure with Mr. Pencil and the Go-with-Me ABC Backpack™. This one of a kind toy lets toddlers interact with the alphabet in awesome ways. Using the write and erase board, kids can practice letter writing and drawing with Mr. Pencil. The screen shows how to write each letter step-by-step and then shows how to turn each letter into animals. Inserting the 26 letter pieces into the letter spaces teaches the letter name, letter sound, an animal that begins with that letter and more. Little learners can play seven different activities and when they're done, the plastic backpack holds all the pieces inside. Clip the backpack closed and wear like a real backpack for learning on the go. Draw, learn and get going!

Available now at all major retailers, including [Walmart](#), [Amazon](#) and [Target](#)

LeapStart® Preschool Success

Ages: 2-7 Years

MSRP: \$39.99

Experience the magic of the LeapStart® Preschool Success interactive learning system. This system grows with your child and gets them excited about learning with interactive touch-and-talk pages. Touch-and-talk activities that include games, puzzles and creative challenges enhance learning to help kids build math, reading, problem-solving skills and more. Scout & Friends Math With Problem-Solving and an additional activity book are included. The expansive LeapStart® library of books (sold separately) covers a variety of preschool through first grade subjects for 2-7 year olds with more than 30 activities in every book. Many replayable activities have two levels with 50+ key skills per grade level, so kids can play and learn at the right level and move up when they're ready. Included books are preloaded. The easy-to-hold stylus is comfortable for kids of all ages and promotes proper writing grip. A computer with an internet connection is required to download additional books onto the LeapStart® system.

Available now at all major retailers, including [Walmart](#), [Amazon](#) and [Target](#)

LeapPad® Academy

Ages: 3-8 years

MSRP: \$119.99

Inspire school success with LeapPad® Academy. This learning tablet is preloaded with more than 20 educator-approved apps that explore math, reading, writing, coding, problem-solving and creativity skills. Kid-friendly right out of the box, this tablet has a tough bumper with a built-in kickstand and a 7" shatter-safe screen. Inside, it includes parent controls that can be used to set time limits, expand content and add websites to LeapSearch®, LeapFrog's kid-friendly web browser. Download additional content by visiting the LeapFrog® learning library to check out 750+ games, apps, videos and music or download popular Android apps (additional content sold separately). As a bonus, LeapPad® Academy includes a three-month free trial of LeapFrog Academy®, an interactive learning program that progressively guides children on Learning Adventures across more than 2,000 games and activities.

Available now at all major retailers including [Walmart](#), [Amazon](#) and [Target](#)

Magic Adventures Globe™

Ages: 5+ Years

MSRP: \$79.99

Young explorers can travel the world and see everything in it with the Magic Adventures Globe™. Using the stylus, children can tap on the 10" interactive learning globe and experience new places, languages, cultures, animals, geography, habitats and more through high-quality BBC videos. Featuring a 2.7" integrated video screen, animations and live-action videos fully immerse kids in the curriculum to provide a better understanding of the world through more than 5 hours of videos. They can also play three interactive games called Around the World, Quiz Show and Where in the World to explore the globe, challenge a friend and solve mysteries.

Available now at all major retailers, including [Walmart](#), [Amazon](#) and [Target](#)

Pick Up & Count Vacuum™

Ages: 2+ Years

MSRP: \$27.99

Count on picking up learning with the Pick Up & Count Vacuum™! This smart vacuum toy picks up ten play dust pieces as kids roll the vacuum over them, encouraging motor skills as they easily maneuver the pretend vacuum around the room. As the vacuum picks up the dust pieces, it recognizes each color and helps children with color recognition. Bouncing balls inside the spinning vacuum canister add excitement to pretend tidying. Three play modes teach colors, numbers and counting with six learning games. Five light-up panels illuminate to match the color of the piece the vacuum picks up, and the vacuum says the color name and counts the piece to reinforce learning. The tiltable handle adjusts to multiple heights, allowing this toy to grow with your child. A dust bin on the back collects and stores all ten dust pieces. Clean up on learning!

Available now at all major retailers, including [Walmart](#), [Amazon](#) and [Target](#)

Shapes & Sharing Picnic Basket™

Ages: 6+ months

MSRP: \$21.99

Learn about colors, shapes, manners and more while on a pretend picnic with the Shapes & Sharing Picnic Basket™. Lift the lid to hear cheerful phrases and unpack the 15 play pieces, including colorful plates, forks, cups and food. The interactive shape sorter on the lid recognizes the food pieces and says the shape and color of each one. Hear polite food requests and delightful learning songs by pressing the butterfly button. Drop the correct food in the basket for rewarding responses that encourage good manners. Learning's a picnic with this friendly basket!

Available now at all major retailers, including [Walmart](#), [Amazon](#) and [Target](#)

LeapBuilders® Blue's Clues & You!™ Blue's 123 School

Ages: 2+ Years

MSRP: \$24.99

Go to school at the LeapBuilders® Blue's Clues & You!™ Blue's 123 School! Build, create and learn with this 42-piece block set, featuring figures of Blue, Josh and Magenta from the show Blue's Clues & You!™. Build a school for Blue, Josh and Magenta including a school bus, a show-and-tell area or use your imagination with the easy-to-hold building blocks and eight double-sided learning blocks featuring numbers and objects. For even more fun, combine the learning blocks with other LeapBuilders® sets (sold separately) that include an electronic Smart Star™, and the Smart Star™ will respond with fun sounds, educational songs and encouraging phrases that enhance building play with learning content. Get building with smart blocks for smart kids!

The BIG Gift

Blue's Clues & You!™ Play & Learn Thinking Chair

Ages: 2+ Years

MSRP: \$49.99

Sit down and think, think, think in the Blue's Clues & You!™ Play & Learn Thinking Chair. Hear fun phrases from the show as you play with Josh and Blue by looking for clues and figuring out what Blue wants using the Handy Dandy Notebook. Sit on the chair to hear Josh invite you to play. Stand up and Josh will encourage you to find clues! Press the light-up buttons on the arm of the Thinking Chair to hear clues and explore colors, numbers, shapes and more. Use logic and problem-solving skills to solve Blue's Clues. At Mail Time, open Mailbox and find a letter from Blue and Magenta for more pretend play. Remove Mailbox from the chair to reveal a cup holder. Lift the seat cushion for a place to store small items. Let's figure out Blue's Clues!

Available exclusively at [Walmart](#)

Scoop & Learn Ice Cream Cart™

Ages: 2+ years

MSRP: \$39.99

Learning is sweet when pretending to run your own ice cream cart! The Scoop & Learn Ice Cream Cart lets kids create a variety of imaginative and tasty-looking ice cream combinations using four flavors of ice cream, three toppings and three syrup flavors. Use the magic scooper to scoop up the ice cream and toppings to build customer orders and it will recognize the colors and flavors. Then press the pump to add pretend syrup while counting to ten. Build memory and sequencing skills by choosing from six cute animal order cards and following the instructions. Ring the bell to let them know their order's up! Playful phrases introduce colors, numbers, flavors and more while you explore the cart's features and six activity cards. When kids are ready to move to a new location, place the accessories in the correct places or put them in the two storage drawers and push the cart around to hear upbeat songs and music.
